Light Your Project, Your Way with alurays.

The alurays lighting technology GmbH provides standard and tailor made products and lighting systems for lighting designers and architects. The projects we support range from large scale exterior installations with complex lighting control requirements to smaller interior projects where more standard control products are often required.

We are a 'go to' solution provider for world class lighting designers and architects.

alurays beleuchtet Ihr Projekt nach Ihren Wünschen.

Die alurays lighting technology GmbH ist ein hoch spezialisierter Anbieter von LED-Leuchtsystemen. Wir entwickeln für Lichtplaner und Architekten individuell zugeschnittene, projektbezogene Lichtkonzepte.

Sie planen im Außenbereich beeindruckende Lichtakzente oder im Innenbereich eine überraschende Lichtstimmung? Wir sind in jedem Fall der richtige Ansprechpartner für Sie!
